'TOO MUCH TEMPTATION'

Postal Clerk Admits $90,000 Mail Theft

BIRMINGHAM, Ala., Oct. 25—(AP)—A 32-year-old post office clerk, who said "it was just too much temptation," was sentenced Friday to five years' imprisonment for the theft of a $90,000 money shipment from a Federal Reserve Bank to the Leeth National Bank, of Cullman.

Simeon E. Gibson, Jr., postal employe at Cullman since June, 1943, pleaded guilty in Federal Court to a charge of stealing from the mails and received the maximum imprisonment possible under the charge. Postal authorities said $86,000 of the money was recovered.

Gibson blamed gambling debts as the cause of his taking the money.

Through his court-appointed counsel, he told Judge Clarence Mullins that "I got to gambling and got into a hole. I have suffered tortures since this thing occurred."

U. S. Postal Inspector J. G. Hall quoted Gibson as saying he burned $2,200 of the money when he feared authorities were closing in on him, and spent the remaining $1,800.

Officers Scour Savannah for Tot Slayer

VALDOSTA, Oct. 25—(AP)—With only meager clues to aid them, police turned Friday night to Savannah in their search for the kidnap-slayer of Ronnie Holton, 20-month-old son of a paper mill worker. The father, J. P. Holton, identified the body.

The body of the child was found in the Alapaha River near here. The child's head was bruised.

Lowndes County Sheriff J. L. Spivey said he was "reasonably sure" the child had been killed in Savannah and had been brought here in the container and tossed into the river. Savannah police said a woman took the child from a boarding home.

The child was kidnaped Oct. 12, but Savannah Chief of Detectives John C. McCarthy said he had no notice of it until the child's father came to him five days later.

McCarthy quoted Holton as saying he first thought his wife, they are estranged, had the baby, but Mrs. Perry Bennett, who operated the nursery, said the wife is not the woman, with pistol in hand, who took the child. It was then that Holton reported to police.

Civic organizations of Waynesboro and Thompson went on record yesterday as favoring the private development of the Clark's Hill project by the Savannah River Electric Company. Waynesboro City Council adopted a resolution saying the Company's plan was "the only proposal made that gives assurance of rapid completion of the project." The five organizations indorsing the project at Thompson included the McDuffie County Board of Roads and Revenues, the McDuffie School Board, the Thomson Chamber of Commerce, Rotary Club and the Kiwanis Club.

Battey To Get 15 Tattnall Inmates

Fifteen tubercular inmates will be transferred from Tattnall State Prison to Battey State Hospital in Rome Nov. 1 and 15. Negro women trusties will be assigned to augment the Hospital's staff, the State Department of Corrections announced yesterday. In a case involving a Negro prisoner suffering from an eye injury the State Board of Pardons and Paroles granted a three-month reprieve from the Prison to William Whitt, war veteran, to permit him to obtain treatment at a Veterans' hospital.

Red Feather Barometer Registers 55 Percent

Contributions and pledges to the Greater Atlanta Community Chest totaled $628,604, or 55 percent of the $1,142,253 quota, after the fourth report meeting yesterday at the Ansley Hotel.

With only a week remaining in the Red Feather drive, campaign leaders urged the 500 workers gathered at the meeting to "see everybody—and don't give up until you do." Yesterday's report of $129,258 in new donations was the best of the week. The luncheon was paid for by Rich's, Inc.

Charge Accounts And Installments Facing Decontrol After Yule Rush

Reds Agree To Debate UNO Veto

UNITED NATIONS ASSEMBLY HALL, FLUSHING MEADOWS, N. Y., Oct. 25—(AP)—Russia Friday gave up her losing fight to keep the UNO General Assembly from debating the Big Five right of veto.

The small nations who have rebelled against the power of the Big Five to forbid action under the UNO charter, were thus assured of a full hearing of their charges that the great powers have abused their veto right.

But Russia emerged from the fight in the powerful steering committee with the certainty that her fellow members of the Big Five, will join with her to defeat any attempt to cripple or cancel the veto clauses of the charter.

Andrei I. Vishinsky, peppery Russian Deputy Foreign Minister and one of the ablest debaters in the UNO, opened the battle in the Steering Committee of 14 nations.

But he was opposed by the United States, Great Britain and China and gracefully withdrew.

Vishinsky received the warm thanks of United States Delegate Warren R. Austin and British, Australian and Cuban delegates.

The Steering Committee referred to Assembly committees are three anti-veto items on the program. The committees in turn will pass them to the Assembly.

The Australian proposal would limit the veto power, while the two Cuban proposals would provide for a special UNO conference to "eliminate" or curtail the veto power.

The small nations were left in no doubt that the United States and Great Britain, even though they believe Russia has overworked the veto, have no intention of giving up their own veto rights.

Vishinsky in the Steering Committee also sought to head off an Assembly debate on a Canadian proposal to limit debate and a South African proposal to incorporate the mandated territory of Southwest Africa instead of making it a UNO trusteeship.

CLIPPERS CLIPPED; TIPS SHRINK

NEW YORK, Oct. 25—(AP) Mid-town Manhattan barbers yelled Friday they are being clipped.

Barber shops in the area recently hiked haircut prices from 75 to 90 cents, but—

Under the old scale, said the barbers, many customers plunked down a dollar and said, "Keep the change."

And, lamented the barbers, they still do.

AH, PEACE—Peace in the form of a bronze bell came between Tech and Georgia yesterday when student leaders met on the Tech campus and signed a treaty vowing not to molest each other's property for at least four years. Left to right, sitting, John Sheffield, of Georgia, named temporary Chairman of the Student Tribunal; Bob Davis, of Tech, named Chairman of the Student Relations Committee; standing, Charles Schneider, of Tech, and Elmo Hester, of Georgia.

PEACE SIGNED!

Bell Brings Tech, Georgia Together

With a ship's bell as the olive branch, students of Tech and Georgia solemnly signed a non-aggression pact on the Tech campus yesterday, straight-facedly vowing not to sabotage the campus of each other's alma mater at least for the next four years.

Efforts at a peace parley were provoked by the cutting down of Georgia famed chapel bell last week and as a half-a-loaf gesture, Capt. Jesse Draper, USNR, an alumnus of both schools, presented them the bell to be used as an athletic trophy.

Determined not to kill "friendly rivalry" between the two schools, the attending student leaders expressed regret for past damaging pranks and enthusiastically laid plans for supporting their football teams in athletic fights over the bell, which, dedicated in the name of those alumni of both institutions who served in World War II, will be presented each year to the school whose team triumphs on the gridiron.

Earnest in their efforts to curb any mutilation of the other's school property the delegates adopted an iron-clad Student Relations Committee and Tribunal to foster peace between the schools and to deal with any offenders to the dignity of either institution.

The Student Relations Committee will consist of 12 student leaders from each school.

Within the group will be a Tribunal composed of six students, three from each school, and the Dean of Students of each. This governing body elected by the entire Committee will in turn elect a Chief Justice to alternate yearly between the schools.

On the Tribunal for the ensuing year are B. C. Gardner, Camilla; John Sheffield, Quitman, and Tom Penland, Blairsville, for the University; and Bob Davis, Columbus; Charles Schneider, Americus, and Doyle Johnson, Tampa, for Georgia Tech.

Dean William Tate, representing Georgia, and Dean George C. Griffin, for Tech, will fill the other memberships.

Punishment will be in proportion to the offense and will in all probability be not less than assessment for damage done nor more than expulsion from school.

Protesting Fate, Medic Shoots Son, Kills 2, Self

GARDEN CITY, N. Y., Oct. 25—(UP)—Dr. Frank Lasher, nationally known wealthy physician, put a silencer on his hunting rifle Friday and stalked through his luxurious home protesting fate.

His protests took the form of bullets which he directed into bodies of his wife, Gladys, 50, her mother, Mrs. Emma Bryan, 75, and his son, Douglas, 21. He fired his last bullet into his own brain.

Mrs. Lasher, Mrs. Bryan, and Lasher himself died. Douglas escaped with an arm wound.

The fate Dr. Lasher protested was two-fold: He had dreamed of his son succeeding him in the medical profession and since his return from the Navy, Douglas had suffered a nervous breakdown that prevented his resuming his medical studies.

Dr. Lasher's colleagues thought of him as an affable and highly skilled physician.

But District Atty. James N. Gehrig found Lasher had been brooding for some time over Douglas' breakdown.

He put the silencer on the .22 caliber rifle to prevent the first shot giving warning to the others he intended killing.

Douglas was the only witness. He was asleep in his room. His father awakened him. He didn't say a word but fired and ran.

Douglas leaped from bed and ran downstairs. His mother lay dead on the kitchen floor. Douglas fled to a neighbor's home. Police were summoned. They found Mrs. Bryan dead in her room. Dr. Lasher was found, dying and unconscious, on the stairs. Beside him was the rifle. He died eight hours later.

Would Spare Curbs By Soothing Solons

WASHINGTON, Oct. 25—(AP)—Marriner S. Eccles, Chairman of the Federal Reserve Board, disclosed Friday that wartime controls on charge accounts and some installment buying may be removed soon.

This decontrol action in the credit field is planned for much the same reason that the OPA has been decontrolling prices—the threat that the new Congress meeting in January might sweep away all controls. By reducing controls to a bare minimum, the agencies hope to salvage those they consider still essential.

Eccles, speaking in Boston, said the Reserve Board has "felt for some time" that the credit control program could be improved by concentrating on curbing the sale of major durable goods on the installment plan—automobiles, refrigerators and the like—and eliminating many other restrictions. The regulars thus apparently marked for early abandonment include:

1. The requirement that cash loans to finance certain purchases, arranged for repayment in a lump sum, must be repaid within 90 days.

2. The rule that certain goods bought on charge account at a store must be paid for within 40 to 70 days.

3. The provision that the down payment on most items bought on the installment plan must be at least one-third of the price, and the payments must be completed within a year and must be at least $5 a month.

This third rule would be continued on major durable goods, under Eccles' proposal, but be removed in the case of other goods, such as clothing.

Eccles said the Reserve Board could remove these restrictions "without a material weakening" of the "restraining influence" which the general credit control exerts, and that further revisions could be made "when inflationary pressures have passed."

The board chairman declared that economic stability would be promoted if Congress would make a permanent grant of power to the board to impose credit controls where necessary, with the "focus primarily on the major durable goods customarily sold on the installment plan."

The controls were imposed in 1942 under executive powers. Eccles' remarks follow a speech Thursday night by Rep. Martin of Massachusetts, House Republican leader, in which he said the GOP will move to repeal the emergency war powers.

Eccles mentioned no time for the relaxation of the credit controls but the action probably would be taken after the Christmas buying rush and before Congress meets in January.

The OPA has set Nov. 1 as the goal for completion of its decontrol program. C. Dean McNeal, Deputy Price Chief, said when asked whether the action would come before the Nov. 5 election, that "there is no politics in this."

Some clothing and many industrial products are next in line for decontrol, McNeal reported, along with small radios, some linens and scores of other items.

Price ceilings were removed Friday from stepladders, optical goods, electronic equipment kits, outboard motors, non-electrical food choppers and juicers, lanterns, and kitchen knives and forks.

Clark Eyes Upraised Lewis Club

By THE ASSOCIATED PRESS.

John L. Lewis' implied threat of a pre-election walkout of 400,000 AFL soft-coal miners aroused the interest of the Justice Department Friday and held the attention of President Truman's Cabinet.

Elsewhere along the labor front, the CIO Marine Engineers put pressure on the U. S. Maritime Commission to enforce on its vessels on the East and Gulf Coasts an agreement the Union reached with Eastern and Gulf shipowners, and striking AFL airline pilots turned down a suggestion they return to their Trans-World Air Line jobs pending negotiations.

Atty. Gen. Tom C. Clark disclosed his office was making a careful scrutiny of the Government's coal contract which Lewis says he will void next Friday unless negotiations are started on new wage-hour demands.

The Federal Coal Mines Administration has taken the position that the contract must run for the period of Government operations of the mines and can not be legally reopened. Secretary of Interior Krug has offered to talk with Lewis about the present contract but not about a new one.

Secretary of War Patterson told newsmen, in response to questions, that the coal situation was brought up at the Cabinet meeting and that it was said the matter was in the hands of Sec. Krug.

While the AFL Masters', Mates' and Pilots' Union awaited a reply from Eastern and Gulf shipowners on their newest proposal for ending their 25-day-old shipping strike, the other union involved, the CIO Marine Engineers, adopted a surprise strategy. The CIO said it would withhold announcing ratification of its agreement with East and Gulf Coast operators until the terms were applied to the Government's vessels on those coasts.

Frank Douglass, Chairman of the National Mediation Board, reported "no progress" after separate meetings with David L. Behncke, President of the AFL Pilots' Association, and Jack Frye, Trans-World President, in which Behncke rejected Douglass' suggestion the pilots return to work pending further talks.

Pioneer Airman Dies

MONTREAL, Oct. 25—(AP)—Elwood Bigelow Hosmer, 68, prominent Montreal businessman who financed and took part in an ill-fated attempt to fly across the Atlantic Ocean in 1927, died at his home Friday.

Davis Wins First Round In Fight To Make Fortson Choose Candidate

By DUPONT WRIGHT

Judge James C. Davis yesterday won the first round in his contest with Secretary of State Fortson over the certification of two Democratic nominees on the Nov. 5 ballot for Fifth District representative in Congress.

After hearing arguments all day, a three-judge Fulton Superior Court dismissed Fortson's demurrer and ordered hearing of Davis' petition for a writ of mandamus to compel the Secretary of State to choose between Davis and Rep. Helen Mankin as the Democratic nominee for Congress.

The judges, Edgar E. Pomeroy, Virlyn B. Moore and Walter C. Hendrix, announced the hearing would continue at 10 a. m. today.

Both Mrs. Mankin and Judge Davis were in court.

As the case stands, attorneys for both sides will stipulate the facts. If there is substantial agreement on the facts, the judges will decide the case on points of law.

Asst. Atty. Gen. Victor Davidson, representing Fortson, demurred to the proceedings on the ground Davis had shown no cause for action.

The case is one of the last phases of the bitterly fought contest between Mrs. Mankin and Judge Davis. It was indicated yesterday the present hearing may be final, unless the three judges should grant a supersedeas permitting the case to go to the Supreme Court. Such action would, in effect, overrule their own decision, it was said, since the election date is so near.

Representing Judge Davis, Attys. James A. Branch and William G. Grant contended the Macon Democratic Convention is the court of last resort of the Deomcratic Party in Georgia and the Convention ruled Judge Davis the party nomi-

Truman Lifts Duty on Import Lumber As Wyatt Asks Loan To Speed Houses

WASHINGTON, Oct. 25—(AP)—In twin moves to relieve the housing shortage, President Truman Friday authorized importation of lumber duty-free, and Wilson Wyatt recommended $54,000,000 in Federal loans for makers of prefabricated homes.

The actions came as it became clear that Housing Expediter Wyatt would fall slightly short of his 1946 goal of 1,200,000 new dwellings started. Officials said, however a major effort would be made to get a flying start on the 1947 target of 1,500,000.

But Republican National Chairman Carroll Reece charged Mr. Truman's move is a political one.

Wyatt announced a "premium payment" subsidy of $20 a ton for extra production of nails.

The President issued a proclamation declaring an emergency and authorizing Secretary of the Treasury Snyder to permit temporarily the importation of scarce timber, lumber and lumber products duty-free for housing construction.

The waiver will apply to any such products certified by Wyatt.

The duty-free privilege will affect mainly imports from Canada. The flow of Canadian lumber was jeopardized in July by the revaluation of the Canadian dollar.

NHA spokesman said he believed the White House order would apply not only to the 50-cent per 1,000 board feet import duty but to the $1.50 revenue tax. The proclamation will remain in force until the Emergency Housing Act expires Dec. 31, 1947 or until the President declares the emergency at an end.

Wyatt ran into a brickwall of opposition, however, from the War Assets Administration in his effort to get the huge, government-owned Dodge plant in Chicago turned over as surplus to the Lustron Corporation, for the manufacture of assembly-line homes. The War Assets Administration, which agreed to lease the plant to the Tucker Corporation, a new automobile firm last month, refused to set aside that lease.

The issue seemed headed for Atty. Gen. Tom C. Clark for decision.

Unless the Attorney General rules in favor of Wyatt and the Lustron Corporation, WAA has announced it will stand pat on its lease to the new auto firm.

Madmen's Revolt Crushed in Cuba

HAVANA, Cuba, Oct. 25—(UP) An abortive revolt plotted by "four madmen" against the government of President Ramon Grau San Martin was crushed at dawn Friday by army troops and police armed with machineguns who arrested some 30 conspirators in Havana and Pinar Del Rio Provinces.

Authorities deprecated importance of the conspiracy.

Cotton Futures Plunge $10 a Bale, Recover Part of Loss Before Close

NEW YORK, Oct. 25—(AP)—Cotton futures values plummeted $10 a bale, the permissible trading limit, on heavy selling Friday before some covering caused prices to rebound. The market's undertone was weak and closing quotations were $6.75 to $8.15 a bale below the previous close.

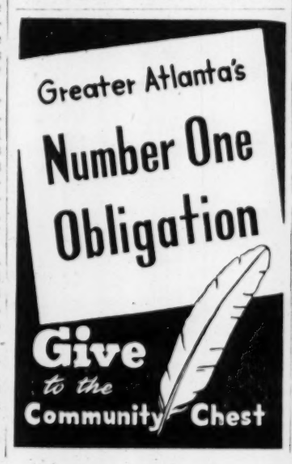

Several reasons were given for the market's action. Cotton markets throughout the country will be closed Saturday and dealers liquidated some of their holdings for over the weekend. In addition, there was heavy hedge selling against the new cotton crop, which is starting to move in heavy volume.

The Census Bureau Friday reported that ginnings of the 1946 cotton crop up to October 18 amounted to 4,321,536 bales, compared with 2,176,073 bales up to October 1, 1946. The latest ginning figure indicated that at least 50 percent of the current crop, which is estimated at 8,520,000 running bales, had already been processed, compared with only 41 percent up to the similar dates a year ago.

Textile mills were also reluctant to operate aggressively in the futures market Friday, owing to a return of quiet conditions in the cotton goods market following the heavy volume of business earlier this week.

At New Orleans futures broke $10 a bale and then recovefed $2.70 to $3.60 from the bottom within the hour.

The heaviest trading came around midsession, when weekend liquidation and hedge selling was based on easiness in stocks and grains and anticipation of Saturday's holiday.

Statistics Show Wages Up 10 Percent Since V-J

WASHINGTON, Oct. 25—(AP)—The Bureau of Labor Statistics reported Friday that weekly earnings of workers in manufacturing industries have risen approximately 10 percent since V-J Day while consumer prices have gone up 13 percent.

The agency said average earnings in September were $45.10, a four-dollar increase over September a year ago. In August, the figure was $44.90.

Another Cycle Beginning?

Amidst the general release of price controls, a foreboding note is struck by John L. Lewis' charge that the Government has broken its contract with his soft coal miners.

This is the contract made with Lewis' union when the Department of the Interior took over the mines last May, to end the 60-day-old bituminous strike. The effects of that strike are still in evidence.

Then, the mine operators could not meet the terms of a $3,000,000 back-holiday pay plea because of price restrictions on their product. Government operation and absorption of loss was the only solution.

Lewis' latest gripe points toward new wage and hour demands in the near-nationalized coal mines.

Always first to sense the need of a raise to meet "living costs," Lewis is the most shrewd of the labor-opportunists. He has won against price controls and against wage controls. Why should he not win now?

Possibly this is the beginning of another inflationary cycle.

A general wage increase, a compensating price hike and so ad infinitum . . . and economic depression.

Congress failed to pass emergency anti-utility strike legislation asked for by President Truman when he anti-climaxed his plea with the announcement that the railroads would end their strike.

Thus labor can strike against the Government and against national security, even though such a strike would be disastrous now or at any time in the immediate future.

But there is no way to settle such a strike. No precedent has been set, and there is certainly no law that will protect the people from their own hunger for commodities they have so long missed.

Economic laws are very human—and very relentless.

And, if indeed Lewis and his miners are the provoking factors in another siege of "big" strikes, we must prepare for the worst.

Stop for Halted School Buses

The Americus Times-Recorder calls attention to a situation which has become all too commonplace in Georgia.

"Motorists are passing Sumter County school buses stopped on U. S. Highway 19 almost daily," reports the Times-Recorder. "About three weeks ago a child was struck by a motorist who disregarded the law and passed without stopping. The child, fortunately, was only slightly injured."

To stop the practice in Sumter County, the Americus paper adds, schoolboy patrols have been placed on all buses to attempt to halt traffic while the bus is stopped and to take the license number of motorists who fail to comply.

The Georgia law specifically provides that traffic going both ways must stop for school buses halted along the road. Yet annually many lives are lost when careless motorists fail to obey.

A continuing campaign should be carried on to educate Georgians to the existence of this statute . . . and to provide heavy penalties for those who continue to ignore it.

Leave the Bear Alone for Awhile

Sometimes the people who run the State Game and Fish Commission feel like giving up and giving the State back to the Indians. In recent months, at great trouble and expense, they have trapped bears in the Okefenokee and have brought bears from other States for the purpose of restocking the mountain counties of North Georgia where the bear has been, in recent years, almost extinct.

Their idea has been to place bears in fine bear country, where, if given a chance, they could live and thrive, and to give the bears a chance to get started they have declared a closed season on bear in 18 mountain counties.

Naturally, these bear, being new to the country, are going to do a great deal of ranging about. They have to find the places where the mast lies thickest, and the best places to make their winter dens. It is natural that in these settling-down wanderings, they are going to be seen by people.

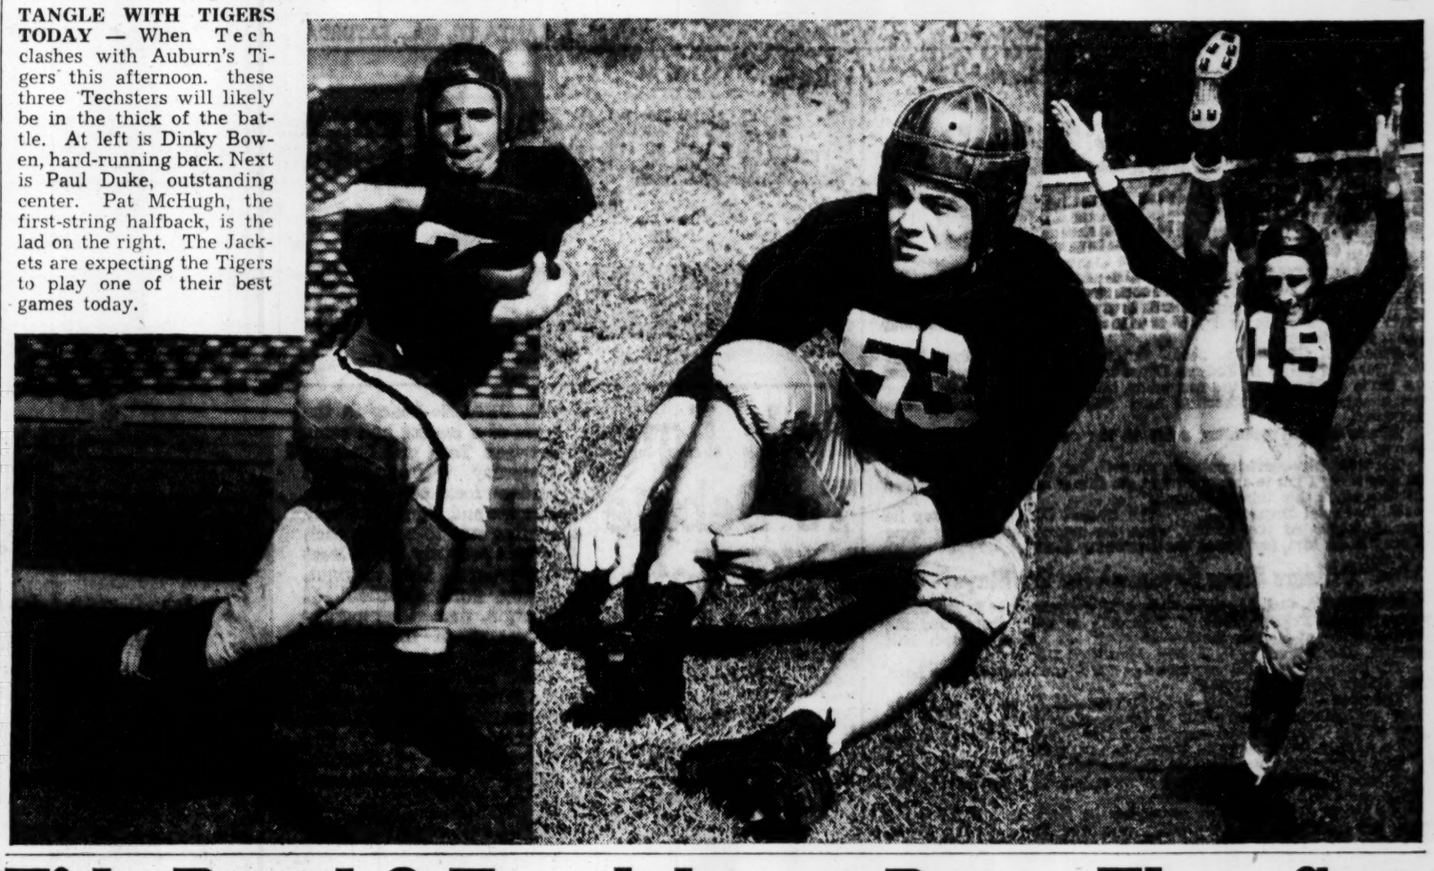

Unfortunately, when the average man sees a bear he loses all control. He forgets the law, and the State's efforts at conservation, and takes out after the bear to slaughter it, regardless of closed seasons or anything else.

Twice recently bears which should have been protected, have been killed by valiant posses of hunting citizenry. One was slain on the golf course at Blue Ridge. Another was killed near Roswell. They were killed in violation of the game laws, and killing them defeated the purpose of the State Game and Fish Commission, for if these bears had been left alive next Spring there would probably have been four cubs to grow up and populate the countryside, to be hunted later on, when there are plenty of bears.

The game and fish people urge people to control their hunting instincts at the sight of these "seedling" bears. They won't hurt anybody. If one walks across your golf course, or strolls down the main street of your town, just wave your arms and shout and he'll take to the brush.

Don't kill him. Let him live long enough to restock the mountains, and soon there will be plenty of bear to hunt, and sport enough for all.

Tech, Auburn Clash at 2:30 Today

TANGLE WITH TIGERS TODAY — When Tech clashes with Auburn's Tigers this afternoon. these three Techsters will likely be in the thick of the battle. At left is Dinky Bowen, hard-running back. Next is Paul Duke, outstanding center. Pat McHugh, the first-string halfback, is the lad on the right. The Jackets are expecting the Tigers to play one of their best games today.

Tide Rated 2 Touchdowns Better Than Cats

Tech Faces Auburn Here At 2:30 Today

By F. M. WILLIAMS

Reigning a three-touchdown favorite, Georgia Tech's Golden Jackets will square of with Auburn's Tigers at 2:30 p. m. today on Grant Field in the forty-ninth renewal of one of the South's longest and most colorful rivalries.

A prospect of cloudy skies was brightened by the prediction early showers would abate before game time, assuring upwards of 25,000 spectators a fast game on a reasonably dry field.

Although the Plainsmen, winner of three games before falling to Tulane, 32-0, last week, have failed to score a victory over the Ramblin' Wreck since 1940, today's game will be the rubber game of the traditional series that started in 1892. Each school has won 22 games and four have ended in ties.

Both squads enter the clash at near top strength. Auburn, whose coach, Carl Voyles, admits is better than last week's score indicates, pins its hopes on catching Tech in a letdown to administer an even more startling upset than the Jackets' defeat of LSU last Saturday. Coach Bobby Dodd's crew hit the skids in midweek practices but by week's end apparently had recaptured the fine edge it has maintained in the last two games.

Tech will be weakened at the ends, but otherwise will be in good shape for the encounter. Regular End Walt Kilzer, nursing a bad ankle, may not even dress for the game, and the other starter, Bill Busbin, also plagued by ankle trouble, is not counted on to start. Busbin, however, will be able to get into the lineup.

In their places, Coach Dodd plans to start his third "regular" end, Rabbit Jordan, and George Broadnax as he goes after his third straight Southeastern Conference victory and fourth consecutive win.

The Tigers, banking heavily on their freshman halfback star, Travis Tidwell, probably will start about the same lineup that took the field at Tulane. Tidwell, second high in the nation in total offense despite last week's slump, received a fearful battering against the Greenies and has been taking it easy all week, but Voyles listed him to start against the Jackets.

Hal Herring was picked for the quarterback spot after early season injuries sidelined him and Russell Inman apparently has nailed down the fullback assignment. Tech will rely on the backfield of Frank Broyles, Pat McHugh, George Mathews and Dinky Bowen, the four who ran wild against LSU's Tigers.

MONTGOMERY, Ala., Oct. 25—This Cradle of the Confederacy readied itself fr another war tonight, that on the gridiron between the football teams of Alabama and Kentucky Saturday at Cramton Bowl.

A capacity crowd of 22,000 fans will pack the stadium to watch the two once-defeated Southeastern Conference grid powers battle in a contest which starts at 2 o'clock (CST).

For Alabama, the game can be the pivoting point upon which to get back on the winning road after last week's defeat at the hands of Tennessee. And for the Wildcats, a victory would assure Paul Bryant of a highly successful season his first year as head coach of the Wildcats.

The gents who make the odds, however, see little chance of Bryant defeating the team on which he starred in the middle 30's. The Crimson Tide has been established a 14-point favorite over the Wildcats, whose only defeat has been at the hands of Georgia.

Nevertheless, an interesting battle is expected and stranger things than a Kentucky victory have occurred. The 'cats have one of the fastest teams in the conference and are in much better shape for the game than at any time since the season's opener.

Alabama also is in good condition with only Johnny August, second-string halfback, unlikely to see action.

As usual, Alabama is expected to depend upon the passing of Harry (The Arm) Gilmer, All-American halfback who was brilliant even in defeat against the Vols last week.

Bryant is more aware of anybody else that he must stop Gilmer's passing to have a chance of upsetting the Tide and has worked hard to perfect a system which no team except Tennessee has been able to do since 1944.

Kentucky will depend upon the passing of Phil Cutchin and the running of Dan Phelps, a freshman speedster, for victory, ably abetted by the all-round team speed of the Wildcats.

The 'Cats have been one of the big surprises of the Southeastern Conference race this season, bowling over Ole Miss, Cincinnati and Xavier before losing to Georgia and then coming back to knock Vanderbilt from the undefeated ranks last weekend.

Bryant has done a great job of coaching and has the Kentucky team instilled with one of the best team spirits in the league.

In addition to Bryant, two other former Alabama stars will be coaching against their former teacher, Frank Thomas. Frank Moseley and Carley Laslie, Kentucky assistants, played under Thomas at Tuscaloosa in the early '30s.

GMA Ties Tennessee Eleven, 6 to 6

By BOB BOWEN.

GMA and Notre Dame Prep, of Chattanooga, battled to a 6-to-6 deadlock at College Park last night before a crowd of 3,500.

GMA scored immediately after receiving the opening kickoff. After Joe Lindsey had carried the ball to the Notre Dame 26, Roy Buchman dropped back and shot a pass to Tommy Touchton for the score.

On the next kickoff, Notre Dame drove straight down the field for the tying touchdown and the fireworks ended for the night. Tom Brown plunged the last three yards for the Chattanooga tally. Terry Cotter, Captain Pete Page, Larry Rigsby and Lloyd Cox were the main cogs in the Notre Dame scoring drive.

After the early minutes of the first quarter, both teams did every thing but score. GMA managed to make yardage through the center of the Irish line, but the bulk of its gains were on end runs and off tackle plays. Johnnie Robinson and Tommy Touchton were the key men in these advancements, with the assistance of Clarence McGill, GMA's 14-year-old, six-foot, one inch guard. The Cadets most impressive non-scoring drive came in the latter part of the game when Robinson ran 21 yards behind good blocking.

Terry Cotter of Notre Dame supplied the most thrilling play of the night when he ran 71 yards in the third quarter only to be pulled down on the GMA five by Robinson. With fourth down and one foot to go, GMA held to avert what would have been the winning touchdown.

Mal Stevens Quits As Dodger Coach

BROOKLYN, N. Y., Oct. 25—(AP)—Dr. Mal Stevens, coach of the All-America Professional Football League's Brooklyn Dodgers, who so far has won one game, lost four, and tied one, handed in his resignation today.

GRID STAR SCORES 71 PTS. IN 4 TILTS

FITZGERALD, Oct. 25—Lauren Hargrove, who plays right halfback on Fitzgerald High's Purple Hurricane, holds one of the best scoring records in the South Georgia Football Association this season.

In the four games played by the Hurricane against Eastman, Jesup, Valdosta and Dublin, Hargrove has scored 11 touchdowns and kicked five extra points for a total of 71 points. The team total for the games is 109.

He is a southpaw, passing and kicking from the wrong side, and does the kicking-off for Fitzgerald.

Olka. A&M Clips TCU, 7-6

OKLAHOMA CITY, Oct. 25—(AP)—Texas Christian University, riddled with injuries and designated as the underdog, outplayed the Oklahoma Aggies for 53 minutes tonight, but were edged in the final minutes, 7-6.

The Aggies broke the ice with seven minutes left as they marched 57 yards on two plays to score. Spruiell ran 30 yards to the TCU 27, and Meinert, on a lateral from Fenimore, romped over. Armstrong kicked the extra point. On the kickoff, Knox ran the ball 100 yards to score, but Mullins' try for the point, which would have tied the game was no good. TCU 6, Aggies 7.

Boston College Nips Villanova

BOSTON, Oct. 25—(AP)—After scoring two quick touchdowns, the Boston College Eagles had a difficult task holding off the Villanova Wildcasts for a 14-12 victory tonight before a 30,800 crowd at Braves Field.

Presbyterian Beats Stetson Hatters, 25-0

CLINTON, S. C., Oct. 25—(AP)—An alert Presbyterian Blue Stocking gridiron crew, sparked by Halfback Hank Caver's passing, rolled through Stetson University's Hatters here tonight, 25 to 0, in a drizzling rain.

A 100-yard return of an intercepted Stetson pass which Halfback Herb Rollins gathered in on his own goal line and carried untouched for a Blue Stocking score, highlighted the game.

Cartersville Eleven Upsets Decatur, 19-6

By RUSSELL MUSGRAVE.

The Cartersville High Purple Hurricane not only upset the NGIC defending champions, favored Decatur High, 19-6, last night, but spoiled Decatur's homecoming game festivities. Fortunately, the non-conference loss — Decatur's first in seven starts—hurts only the Bulldogs' prestige—but not its NGIC record.

Playing without the services of the incomparable tailback, Captain "Moose" Miller, Decatur could not match the hard running attack of the superior Hurricane backs, Wallie Bearden, Captain Chas Thomas, Calvin Hartness, and Hal Collier. Collier proved to the 5,000 fans that witnessed the one-sided fray, that Coach Wallie Butts, of Georgia, made no mistake in offering the stellar fullback a scholarship to play for Georgia next season.

It was Cartersville all the way during the first half as the determined Hurricane backs, Collier and Hartness ripped off yardage at will through and around the weaker Bulldog line. Cartersville was down on the Decatur four-yard line as the first quarter ended and Harness scored on the second play of the second quarter to highlight a sustained 59-yard drive. Hartness' placekick was blocked by Billy Jackson, who, along with Fullback Don Rogers, played a fine defensive game for the losers.

Rogers fumbled on the Cartersville 30-yard marker two plays later after a beautiful 38-yard run around his own right end. Cartersville recovered and started a 70-yard march with Wingback Thomas skirting the Bulldogs' right end for a 22-yard touchdown jaunt. Hartness' kick split the uprights.

Guard Lamar Cavender recovered Bearden's fumble on the Cartersville 5-yard line late in the second quarter to set up the Bulldogs' touchdown play. Nolan Reed hit the Cartersville line for four yards, with Don Rogers power-driving the ball over the next play.

Star Back Penalizes Self for Deacon Loss

WAKE FOREST, N. C., Oct. 25—(AP)—Dick (Rock) Brinkley, hard-charging Wake Forest fullback who also writes sports for the college newspaper, "The Old Gold and Black," did not make the trip with his teammates to Knoxville for tomorrow's Tennessee game.

His own account of his assuming technical "blame" for the 14-6 loss to North Carolina State here last Saturday, appeared in today's issue of the paper.

The Line Buster, who is one of the leading Southern Conference scorers, wrote that there were five plays which spelled defeat for the Baptists against the Wolfpack.

In a signed story, Brinkley described those plays as:

1. When he failed to block Paul Gibson, State end, when Wake Forest tried for its extra point. Gibson then blocked the placement attempt, thereby putting the "pressure on the Deacons," Brinkley said, for the remainder of the game.

2. A sensational catch by Gibson, in the end zone, of a pass by Howard Turner for a touchdown. Brinkley said that Gibson apparently had been covered by two Wake Forest secondaries—Nick Sacrinty and Clay Croom.

3. Brinkley's own fumble on the State nine-yard line in the third quarter. This fumble, he said, stopped a drive which probably would have won the game.

4. and 5. Two later fumbles—one by Brinkley and one by Clay Croom.

He said that the loss was a "bitter pill to swallow" after pushing State all over the field.

Hold Your Cotton

Editor Constitution: A cotton and seed famine confronts the whole world at this moment. Pandemonium will rule and reign very soon.

Don't permit the decline from 40 cents down to 33 cents alarm you—as instead of the big surplus that you have heard so much about, there is a dangerous shortage. There is no cotton available except "dog tail" that the cotton mills don't want—except this year's crop.

Hold that cotton, Southern cotton farmer. Place every bale of your cotton in the Government loan and draw $125 per bale, is the answer to 50 cent cotton. Then remember that cotton will be held by the Federal Government for you until August, 1947, and before that date you will sell your cotton for 50 cents per pound.

Listen, cotton farmer, you have the chance of a lifetime to cash in on the shortest crop of cotton produced in 50 years.

You and your wife and children, by your 18 hours of hard labor with high price everything will just as surely win this battle as night follows day. You are righteously entitled to 50 cents per pound for your cotton and you'll get it.

Answer this question please, cotton farmer. If you refuse to sacrifice your cotton at price marked upon New York Exchange, the rottenest gambling joint in all the world, where and how will those smart cotton robbers get cotton to fill their commitments?

The present crop of approximately 8,500,000 bales will cause pandemonium to reign.

We have pledged cotton to foreign countries, 4,000,000 bales. We are spinning in our United States cotton mills almost 1,000,000 bales cotton per month, 10,000,000 bales. Total, 14,000,000 bales. Our this year's crop, 8,500,000 bales. Leaves a shortage of 5,500,000 bales.

And nowhere to obtain this cotton!

Frankly, cotton farmer, there is just ahead of you a cotton famine, and there will be such a scramble by the exporters—cotton gamblers, and that rotten element of cotton thieves, who willfully and deliberately planned to rob the Southern cotton farmers of billions of dollars that cotton will sell for 50 cents per pound.

I will pause a moment to express my opinion of those thieves and robbers that Jesse James and Al Capone were Chesterfields beside that gang who make an effort to make slaves out of the wives and children of millions of Southern cotton farmers.

Keep your chin up, cotton farmers. Don't be alarmed. Hold tight to your every bale of cotton and by early Spring you can name your own price—50 cents.

The writer, who is a cotton farmer, again pleads with my fellow cotton producers to hold your cotton and cotton seed and victory will be ours.

Uncle Remus

Editor Constitution: Referring to the article in The Atlanta Constitution of Sunday, Oct. 13, by Paul Jones on "Song of the South," which reads in part as follows: "That's the simple, yet eloquent tribute which has been bestowed upon Walt Disney's picturization of 'Uncle Remus' by Mrs. Mary Harris Rowsey, granddaughter of Joel Chandler Harris, author of famed stories of the Old South which were published in The Constitution and in book form."

Will you kindly advise me where I can purchase this book? I want it for a gift to a little boy whose birthday is Nov. 30. As he lives in Oklahoma I would like to get the book without delay so I can get it to him in time for the occasion. Thanking you for your kind attention, I am,

PAULINE E. SMART.

(Editor's Note: Miss Smart, and other readers who desire, may purchase several editions of Uncle Remus stories at any good book store.)

The Voters

Editor Constitution: Judge James C. Davis: "Not being familiar with the language of the Communist Party and not being one who speaks the Communist language, I was compelled to investigate just what the term 'OGPU' meant. . . . It is significant that she (Mrs. Helen D. Mankin) speaks their language."

Indeed, Mrs. Mankin shows, in using the initials "OGPU," an extremely sinister knowledge of the "Communist language," the knowledge common, I feel sure, to any college freshman, or to any high school student who has had a class in "Current Events," or to any average citizen who has read the newspapers during the year since the Communists came to power in Russia.

Might I humbly suggest that Judge Davis relax, allow the voters to decide whom they want in office (we do call this a democracy), and spend the leisure time thus gained in reading up on current world events.

Meagher Still Wants To Coach the Pros

MIAMI, Fla., Oct. 25 — (AP) — Jack Meagher, who resigned Tuesday as coach of the Miami Seahawks of the All-America Football Conference, said today he hopes to remain in professional coaching.

"I haven't received any offers as yet. It's not the time of the year for contacting coaches," the ex-Auburn and Iowa pre-flight mentor remarked.

Meagher offered no reason for the failure of the Seahawks to click under his direction, but declared there was little question about the All-America Conference being a success.

He plans to remain in Miami for a while before making any definite plans for the future.

Bulldogs Tackle Hurricane Today

Injured Georgia Aces Will Stay on Sidelines

By TOM MILLER,
Constitution Sports Writer.

GREENVILLE, S. C., Oct. 25—Georgia's undefeated Bulldogs, racked by telling injuries but still a highly potent scoring machine, figured to win handily here tomorrow over the Hurricane of Furman University. Kickoff was scheduled for 2:30 p. m.

Approximately 15,000 spectators are expected in recently enlarged Sirrine Stadium to watch Furman attempt what it has succeeded in doing only two times in 17 meetings—beat Georgia.

Coach Wally Butts will present a patched-up line-up differing in probably three positions from the one that rolled over Clemson, Temple, Kentucky and Oklahoma A. and M. in earlier games.

Johnny Rauch, a superlative "T" formation quarterback and passer, will ride the bench while a cheek bone, fractured against the Aggies last week, mends. A protective facial mask may permit him to get into the game if the situation should become critical, but Johnny Cook is slated to handle quarterbacking duties. Tackle Joe Bush had a nose operation today but may start against Furman.

Cook, a 155-pounder from Rome, made the All-Conference team as tailback on the single-wing formation three years ago at Georgia, but he has been slow to regain his old-time form in the "T."

Veteran Fullback Dick McPhee banged up a knee in an early-week scrimmage and joined Mel Bray and Sonny Lloyd on the injured list. This leaves Joe Geri, Larry Bouley, bothered by a trick knee, and George Ford, all comparatively green hands, available at the position.

Frenshman Gene Chandler was listed to get the call at center, a position that was weakened when Joe Chesna was transferred to help the fullback dilemma. The scheduled workout today was cancelled because of rain.

Coach Butts has refused to take Furman lightly. The Hurricanes, saddled with a back-breaking schedule including games with Alabama, Auburn and Georgia Tech, threw a scare into Alabama before going down and later gave Auburn strong competition. Georgia stands in the curious position of having everything to lose and little to gain by a victory.

With Alabama only a week away, Coach Butts is raising his sights no higher than Furman, despite pregame dope that gives the Bulldogs as much of a margin as they wish to make it.

4 Pros Tied With 141 in Richmond Golf

RICHMOND, Va., Oct. 25—(AP) Four of the nation's crack professional golfers — Ben Hogan, of Hershey, Pa.; Australian Jim Ferrier, of Chicago; Ellsworth Vines, of Los Angeles, and Herman Keiser, of Akron, Ohio—were tied today with scores of 141 at the halfway mark of the $10,000 Richmond Open Golf Tournament.

Vines, ex-tennis great who turned to golf because he thought it was "more competitive," fired the best round of today's 18 holes over the tricky 6,354-yard Hermitage Country Club layout.

Vines toured the course in a three-under-par 69 to equal Keiser's low score of yesterday. He did the front side in a one-under 36 and came blazing home with a two-under 33.

Hogan, this year's top money earner and the tournament's defending champion, had set the early pace when he breezed around in 70.

Purples Lose To Lee, 8-6

JACKSONVILLE, Oct. 25—R. E. Lee High School cashed in on the breaks here tonight to squeeze out an 8-6 victory over Boys High, of Atlanta.

The visiting Purples clearly outplayed the winners in the last three quarters of the ball game after both clubs had driven for touchdowns in the opening minutes of the initial quarter.

Lee took the opening kickoff and drove 72 yards for its touchdown. The march was highlighted by the running of McKeithen, but Fred Taylor, fullback, had the honor of scoring the six points when he crashed over center from the one-yard line. Granighan's try for extra point failed.

The men of Coach Shorty Doyal came thundering back to knot the count after taking the next kickoff. The drive got under way on the Boys High 25. Thompson sparked the march with a 50-yard run which placed the ball on the Lee 19. A pass, Henning to Whitt, covered the remaining distance. Weaver missed the try from placement and the score was knotted.

Boys High had the home team in hot water through the second half, working the ball into scoring position three times in the third quarter and once in the fourth, but could not cross the pay-off stripes.

Late in the fourth period, the Lee boys got their big chance and cashed in on it. The Purples had possession of the ball on their own 34. A 15-yard penalty for clipping placed the ball back on the 19. On the following play the center made a bad pass and Davis of the visitors picked the ball up on the four and attempted to run wide to his right, but was tackled in the end zone for the game winning safety.

GEORGIA-AUBURN GAME A SELLOUT

COLUMBUS, Oct. 25—(AP) A complete sellout of the Georgia - Auburn football game here for Nov. 16 was announced today by Chairman Alfred I. Young of the Georgia-Auburn Football Association.

He pointed out that the increased enrollments at both colleges had caused a heavy demand for tickets, since students had first call on the tickets.

The stadium seats more than 20,000.

Rickey Balks At Resignation Of Dressen

BROOKLYN, Oct. 25—(AP)—President Branch Rickey of the Brooklyn Dodgers today refused to accept Charley Dressen's resignation as coach.

In a statement regarding Dressen's announcement yesterday to the effect he had severed his connection with the Dodgers, Rickey said:

"Dressen and I had a conference Sept. 16 in which we agreed that Charley was to remain as a coach for the next two years. We also had a verbal agreement that I would not consent to his release unless he were offered a major league manager's post.

"In other words," the Dodger leader continued, "we agreed that Charley would not be released for the purpose of becoming a minor league owner, executive, manager or any other major league position outside of a manager's job."

It is generally believed that Dressen quit his Brooklyn post to accept a position either as manager or coach of the New York Yankees. It has been rumored that Dressen, acting as Manager Leo Durocher's chief aide, had been earning $10,000 per year and would make twice that much with the Yankees.

Dodgers Humble Miami Pros, 30-7

BROOKLYN, Oct. 25—(AP)—Brooklyn lost a coach but won a football game tonight, subjecting the inept Miami Seahawks to a 30-7 drubbing in an All-America conference tilt witnessed by a slim crowd announced at 15,200 paid.

Miami Romps Over Chattanooga, 33-13

MIAMI, Fla., Oct. 25 — (AP) — Halfback Ed Injaychock, of Wilkes-Barre, Pa., ran 98 yards for his first touchdown in seven years of football as the University of Miami Hurricanes defeated a surprisingly scrappy University of Chattanooga, 33-13, before 26,011 rain-drenched fans here tonight.

Chattanooga's brilliant Gene Roberts, currently rated second in the nation in ground gained by rushing, sparked his team to within one point of the Hurricanes in the third period, but Miami turned on the power in the fourth to count three touchdowns. It was the Hurricanes' fourth victory of the year against one loss.

Tech High Marches To 6th Straight Win

By CHARLIE ROBERTS
Constitution Sports Writer.

SAVANNAH, Oct. 25—Tech High's unbeaten Smithies ran into more trouble than a long-haired dog at a flea circus here tonight but finally came out on the long end of a 15 to 7 score against the rugged Savannah High Geechies at Grayson Municipal Stadium.

This was the Smithies' sixth victory of the year.

It was the kicking of Pierce McWhorter, the running and passing of Bobby North and fine line play by the Smithie line which brought the victory. McWhorter, Bob Greer, Randolph Ragsdale and Lamar Carson were savage in their tackling and charging on defense.

The Savannahians, led by Shorty Hermann, as great a performer as we've seen take the lead in a losing role, out-first-downed the winners eight to two, gained 117 yards to Tech High's 63 on the ground, and 75 to 81 for the victors through the air. The Smithies were throttled almost completely on the ground by the Savannah line, sparked by Center Chick Shiver, Jr.

Herrmann almost got away on the opening kickoff, racing 45 yards to midfield. On the first play, he fumbled and McWhorter recovered for Tech High at the same spot. Three plays later McWhorter booted 38 yards out of bounds on the Savannah two. Pierce went back to put, but a bad snap went out of the end zone, giving Tech High a safety and a 2-0 lead.

The remainder of the first quarter was featured by punting duels.

Tech High scored about midway the second quarter after taking over at the Geechie 39. Campbell got four on a reverse, then McWhorter tossed a short one over the middle to North, who scampered 35 yards to score. North's extra point try was wide and Tech High led, 8-0.

With time running out, the Geechies went 57 yards to score. Herrmann fired a 14-yard gainer to Mooney and then ripped for eight yards. With the ball at the Smithie 35, Herrmann aerialed to Sluder at the 10 and Sluder romped across. Keller's extra point try was blocked, but Herrmann grabbed the ball out of the air and ran it across. The half ended with Tech High leading 8-7.

Lamar Carson blocked one of Herrman's punts early in the third period and three plays later North broke off right tackle and romped 47 yards over the goal, but it was called back and Tech High penalized five yards for offsides.

Just before the end of the third period Campbell fumbled and Herrmann recovered for Savannah at the Geechie 45, however, the Smithies soon took over and rambled 58 yards to another score. McWhorter and North battered at the line and North tossed one to Wilson for seven yyards. North aerialed again to Carson in the flat for the last 19 yards. North's extra point try was perfect and the Smities were out front, 15-7.

Neither team threatened after that.

Top Grid Powers Face Stern Tests Today

By GAYLE TALBOT

NEW YORK, Oct. 25—(AP)—Tomorrow the three top candidates for national football honors—Army, Notre Dame and Texas—all slam into opposition calculated to tell them, and the fans, a great deal about their pretensions.

Is Army the invincible, all-powerful team its supporters believe it to be? Are the Irish of Notre Dame a gridiron scourge, preparing to flay and destroy everything they meet? Are the Longhorns the greatest thing the Southwest ever produced? Maybe we'll find out tomorrow.

Army, seeking its twenty-fourth straight victory, almost certainly meets one of its most formidable opponents of the season in the Duke Blue Devils, who are coming into the Polo Grounds along with 8,000 yelling North Carolinians fully determined to check Davis, Blanchard & Company.

Despite losses to Tennessee and North Carolina State, Duke is supposed to be a much stronger team than the Blue Devil eleven which succumbed to the Cadets, 48-0, a year ago. Wallace Wade, back from the war, is coaching Duke again, and it is on the record that he never has suffered worse than a 23-point defeat since he went to Durham.

Notre Dame, the bogey of the Mid-West, figures to get a real testing from Iowa's Hawkeyes, who bounced Indiana around, 13 to 0, a week ago. The game is being played at Iowa City, where the Irish never have won. If Coach Frank Leahy has a climax runner hidden among his horde of Notre Dame ball carriers, it is possible he will have to pull him out for this one.

Texas, which has been running more or less wild up to now, meets a Rice Institute team that was highly touted even before the race began, and which is said by Texas operatis to be thoroughly capable of halting the speedy Longhorns. If Texas wins this one, at Houston, they say it's all over and Coach Dana Bible can begin receiving congratulations on a conference title.

Those are the three big games upon which much of the nation's attention will be focused, but the slate is full of other good ones, especially in the South. Tennessee, voted the country's fourth best team after it humbled Alabama last week, plays Wake Forest at Knoxville. Wake Forest suffered its first defeat last week at the hands of strong North Carolina State, and should extend the Volunteers.

Georgia, voted seventh strongest in the nation on its record, plays at Furman. North Carolina, rated No. 10, entertains Florida.

Sharing the spotlight with the Iowa-Notre Dame tussle in the Mid-West will be a brace of Big Nine contests bringing together Illinois and Michigan at Ann Arbor, and Minnesota and Ohio State at Columbus. Michigan and Northwestern are tied at present for the conference leadership.

Indiana plays at Nebraska, Purdue at Pittsburgh, and Northwestern gets a breather at home against the college of the Pacific.

Outside of the Army-Duke sellout, the East's headliner will be the Navy-Penn fixture at Philadelphia. As the Middies have been beaten three straight, the game would appear to be of interest chiefly for the lie it might give on Penn's strength.

Other Eastern games are Columbia at Dartmouth, Holy Cross at Harvard, Cornell at Princeton, Boston at Brown, Syracuse at West Virginia (which meets Army next Saturday), and George Washington at Rutgers.

In the Southeastern Conference the deflated Alabama eleven entertains Kentucky, Auburn plays at Georgia Tech, Louisiana State at Vanderbilt and Mississippi State at Tulane. In the Southern Conference, North Carolina State plays at Virginia Tech, Richmond at Washington and Lee, and William and Mary at VMI.

A Southwest Conference title game, eclipsed by the Texas-Rice duel, finds the Texas Aggies playing Baylor at Waco. The Arkansas Razorbacks play mississippi in a non-conference affair. The only Big Six contest finds Oklahoma at Iowa State, Southern Methodist plays Missouri at Columbia, and the rugged Cincinnati eleven plays at Michigan State. Kansas visits Tulsa.

In the Rocky Mountain Region, Wyoming plays at Utah and New Mexico at Colorado. Denver invades Lubbock for a night game with strong Texas Tech.

Bucky Harris Hinted as Yankee Pilot

NEW YORK, Oct. 25—(AP)—President Larry MacPhail, of the baseball Yankees, said today that Bucky Harris, his administrative assistant, was being given "strong consideration" as manager of the club next season, but denied that a decision had yet been reached.

Harris indicated he preferred to remain in his present job, but confessed that if a sufficiently handsome offer was made for him to pilot the team he might change his mind.

MacPhail made it plain that others besides Harris were being considered, and some of his auditors at today's press conference gained a clear impression that Leo Durocher, of the Brooklyn Dodgers, still was very much a candidate. The Yankee head noted Leo had not yet signed a Dodger contract for 1947.

Bulldogs Rip Redbirds, 14-7

By JIMMY WALL.

North Fulton's mud-splattered Bulldogs splashed to two touchdowns in the first half, and then held on stubbornly for the remaining two periods to down the Fulton Redbirds, 14-7, last night before 1,500 fans in Dykes Stadium.

The Bulldogs moved to two quick tallies in the first and second quarters, behind the running of Billy Bentley and held the Birds to a lone tally in the second period. Coach Claude Wills' Redbirds threatened constantly in the final half, but the Bulldogs and the mud were too much.

North Fulton's first score came on a break in the opening period. Eben Tilley recovered David Patterson's fumble on the Fulton 40 and sparked by Billy Bentley's 30-yard dash through the middle the Bulldogs went over in four plays. Bentley ran over for the point. the 'Dogs scored the winning tally on a 43-yard drive in the second quarter, with Bentley again in the driver's seat.

Fulton's lone score came in the second period on an 80-yard drive engineered by passes from Cliff Fuller and Brick Bradford to big Ronald Nelms, Nelms scoring on a 17-yard toss from Fuller. Bradford passed to Nelms again for the point. In the second half, Fulton drove for three rapid first downs on a 56-yard march, but the Bulldogs stalled the drive on their own 29.

East-West Seeks Larger Stadium

SAN FRANCISCO, Oct. 25—(UP)—William Coffman, managing director of the annual Shrine East-West game, said today a plan to move the game to University of California's 80,000-seat Memorial Stadium at Berkeley was being given "serious consideration."

In the past years the game always has been held in the 60,000-seat Kezar Stadium here.

Coffman said tickets already are sold out for Kezar and the move would be made only in an effort to collect more money for the fund.

Mrs. Bright Wins Capital City

Mrs. Morton Bright, the present city golf champion, added the Capital City Country Club title to her list of championships Wednesday afternoon when she defeated Miss Jean Fraser, 3-2.

In the championship consolation division, Miss Mary Frances Raine triumphed over Mrs. Albert Donnaud to carry off first prize.

'Bama Bees Beat Mississippi Juniors, 9-6

UNIVERSITY, Miss., Oct. 25—(AP)—Ralph Cochran's 16-yard field goal in the last 10 second of play gave Alabama's B team a 9-6 decision over the University of Mississippi Juniors here today.

Interference was ruled on Bob Cochran's pass a play earlier to set the stage for the field goal from the Rebel six.

Millsaps Bumps Southwestern, 33-0

MEMPHIS, Tenn., Oct. 25—(AP) Sparked by 155-pound David McIntosh, ministerial student from McComb, Miss., Millsaps College drubbed inept Southwestern of Memphis, 33-0, here today.

It was Southwestern's first game and Millsaps' second since the two schools abandoned football five years ago.

Stock Sales

NEW YORK, Oct. 25—(AP)—A smattering of favorites continued to make headway in today's stock market while many leaders dozed in lower territory.

A feeble early attempt at a rally failed to follow through and losses soon ran to 2 or more points in most divisions. There was a comeback by midday. Extreme setbacks were reduced in a number of instances at the close although minus signs predominated. Dealings quickened now and then and transfers for the full stretch totaled 920,000 shares compared with 860,000 the day before which was the second smallest volume for a 5-hour session in two months.

Brokers again attributed bearishness mainly to labor disputes involving a threatened coal walkout and predictions of widespread strikes after election. Weakness of commodities was viewed as a restraining factor. A little bidding here and there was credited to pleasing dividends and earnings, in addition to the belief the list was in a position to resume the upswing if the news warranted.

Profit taking sales chopped down early gains among lower priced rail issues in the bond market today. Plus signs were in the majority in this group late in the session but in some cases morning advances were converted into modest losses.

Valspar, Michigan sugar and Cosden petroleum were up a shade in the curb. Backward were American Cyanamid, Hummel-Ross, St. Regis Paper and Cities Service. Turnover here was 210,000 shares versus 230,000 yesterday.

DAVIS-MANKIN

Continued From First Page

nee. They said the Attorney General's office had so contended in their defense of the county unit system in the Federal Court and that Davidson was now taking a different view.

For Fortson, Davidson argued that the Soldier Vote Act requiring the Secretary of State to certify names of nominees to County Ordinaries 70 days before the election was still in effect and the 70-day deadline had passed. If that law should be found ineffective, Davidson further contended another statute requires certification 30 days before election.

Opposing counsel declared the Soldiers' Vote Act was repealed by implication when the General Assembly passed the act of 1946 requiring the Secretary of State to decide in cases where two candidates claimed the same nomination.

Grant said it was an absurdity for "anyone to say you could have two candidates for the same post in the same party. In view of the purpose of a primary, it is a physical impossibility," he declared.
